

No. Bangkok-ÖB/ALLG/0003/2021

Bangkok, 18 January 2021

Dear Ms. Kulchonchan,

I am writing on behalf of Bangkok's group of women ambassadors and women leaders of UN Agencies.

To celebrate International Women's Day on March 8, 2021, we will invite a group of Thai students to be "Ambassadors for a Day". Selected students will job shadow an Ambassador or head of a UN Agency for International Women's Day. Each embassy and UN Agency will determine its own program and "Ambassadors for a day" will experience diplomatic life at the highest levels, including attending public events and participating in Embassy meetings and functions.

Young people between the ages of 18 and 25 and holding a Thai identification card are eligible to apply. Candidates must submit a video of up to three minutes discussing how they are working to resolve a social issue affecting women or girls in their community. The video should be posted on social media with the video link sent to AmbassadorForADayThailand@gmail.com. It can be in any of the following languages: Dutch, English, French, German, Hindi, Italian, Norwegian, Portuguese, or Spanish. Travel arrangements will be provided for successful candidates from outside of metropolitan Bangkok. More information is available in the attached instructions.

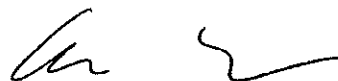

We would be most grateful for your assistance in sharing information about this competition with students at your institution.

Should you have any questions regarding the program, please contact Mr. Andreas Laubreyter at andreas.laubreyter@bmeia.gv.at and in cc. to Mr. Stuart Shaw at stuart.shaw@international.gc.ca.

Please note that Ambassador for a Day events may be delayed in line with COVID-19-related restrictions and social distancing measures.

Thank you for your assistance. Let me extend my best wishes for a prosperous New year, especially good health and joyful moments.

Yours sincerely,

Dr. Eva Hager
