

Dear Esteemed Partner,

Greetings from UTAR, Malaysia!

In conjunction with the Chinese New Year 2022, we would like to invite your *university* to participate in the **International Celebration of Virtual Chinese New Year Carnival 2022** scheduled to be held from 18 January to 21 January 2022 on the Zoom platform.

Chinese New Year, also known as Lunar New Year, is a 15-day celebration during the first month of the Lunar Calendar celebrated by Chinese people around the world. The celebration is to usher out the old year and bring forth great fortune and prosperity to begin the new year.

Chinese New Year festival has been part of our identity where we wish to bring the warmest seasonal greetings to everyone whom we hold dear in our hearts. We want to share the true meaning of the festival where, amidst the pandemic, we celebrate reunion and abundance while we restore, rebuild, and prosper in the foreseeable future.

The Department of Student Affairs would like to invite the overseas students to join our pre-celebration and share with us their experience for celebrating this special occasion.
