**VDW Technology Symposium Thailand 2022**  
**"Innovations in Production Technology - Machine Tools from Germany"**  
**September 28, 2022 at Eastin Grand Hotel Sathorn Bangkok**  
**Surasak 1 Room (11th Floor)**  
**Time: 09:00h – 16:50h**

Throughout this exclusive event, German and Thai industry representatives and manufacturing companies/experts will exchange viewpoints and present their latest technologies and product solutions. Under the theme of "Innovation in Production Technology - Machine Tools from Germany", a total of 8 internationally renowned German manufacturers present their products, solutions, and services for efficient and modern production.

German experts from the following companies will present their latest production technology solutions:

- Alzmetall Werkzeugmaschinenfabrik und Gießerei Friedrich GmbH & Co. KG
- BLOHM JUNG GmbH
- DMG MORI/DECKEL MAHO Pfronten GmbH
- GROB-WERKE GmbH & Co. KG
- Maschinenfabrik Berthold Hermle AG
- INDEX-Werke GmbH & Co. KG
- OPEN MIND Technologies AG
- TRUMPF SE + Co. KG (Holding)

Parallel to the exclusive presentations of the German companies, a 'B2B Business Matching' session between Thai and German companies will take place, organized by the GTCC.

**Highlights:**

- Exclusive high-level event at the Eastin Grand Hotel Sathorn, Bangkok
- German experts presenting the latest high-end technologies and products from Germany
- Around 150 participants and key stakeholders from relevant companies and associations of the Thai automotive- and supply industry, general engineering sector, machine and metal-working industry are expected
- Individual 'B2B Match Making' session between Thai and German companies located in a specially assigned business match-making room next-door
- Simultaneous interpreting (English – Thai) will be provided throughout the entire event

After the Symposium, the VDW invites all participants to a cocktail & networking reception at Antito Resto-Bar (14th Floor) acting as a platform for an informal exchange between the participants of the German delegation and industry players from Thailand.
