UK CHEVENING SCHOLARSHIPS 2024/2025

I am writing to inform you about the UK government's prestigious Chevening Scholarship scheme, and kindly request your support in encouraging applications from talented members of staff within your organisation.

The Chevening Scholarship scheme is the British Government's flagship global scholarships programme. There are now more than 55,000 Chevening alumni spanning over 160 countries, which includes 600 Thai alumni.

The scheme provides a fully funded scholarship to study a one-year Master's degree in any accredited university in the UK. Chevening Scholars also have access to tailored events and support during their time in the UK, giving them a unique opportunity to build a global network of continuing professional significance, and to establish social, cultural, academic or commercial partnerships with the UK.

Chevening scholarships are awarded to those with a proven academic record, and who are likely to be future leaders, influencers or decision-makers in their field. We are also looking for people with a minimum of two years' work experience, and with strong English language skills.

The application window is now open, and will **close on 7 November 2023**. Potential applicants can register their interest and sign up to receive alerts about application dates, candidate guidance, and priority subject areas for Chevening Scholarships via the central website, www.chevening.org.

I would be grateful if you could consider who within your organisation has the right profile and leadership potential to be a suitable Chevening candidate, and to encourage them to apply. There is much more information available in the websites: www.chevening.org/thailand and <https://www.chevening.org/faqs>. You are also welcome to contact our Chevening Officer at Warumporn.Samranchit@fcdo.gov.uk if you have any additional questions.

Yours sincerely,

Mark Gooding
