To: "internationaloffice.its@gmail.com" <internationaloffice.its@gmail.com>

Dear Partners,

Institut Teknologi Sepuluh Nopember (ITS) through Global Engagement Office will conduct Global Internationalization Training and Workshop for International Office Staffs worldwide. This program will offer some hands-on training and workshop in internationalization for higher education institutions including strategies and programs to enhance global reputation, mobility management (for students, lecturers, and non-academic staffs), managing international partnership, the use of information technology in managing international office, internationalization at home, and managing student volunteers.

This training is designed for international office staffs who are in their early or mid-career to develop competencies. Through worksheets, observation, discussion, and workshops, each participant will be able to develop strategies or program that can be directly implemented. This program are open for any staff/lecturers who have interest with Managing of International Office.

This program will be held on 9-11 July 2024 at ITS Surabaya - Indonesia by person and we offer interesting topics such as Enhancing Global Reputation, Information Technology in International Office, Internationalization at Home, Internationalization Journey at ITS, understanding of world ranking system, and many more. You may check the detail at our poster or our website : <https://www.its.ac.id/international/experiencing-its/non-academic-staff/global-staff-its/>

the program fee of this program is USD 500 (USD 400 for ITS partner). **The fee will cover program kit, courses, meals, site visit, and certificate only.** You need to cover return flight ticket, accommodation, and local transportation from your hotel to ITS.

If you are interesting to send your staff in this program, please kindly send his/her application form through email at staffmobility@its.ac.id and cc to internationaloffice.its@gmail.com maximum on 24 May 2024.

Please kindly reach us via email if you have further inquiries related to this program. Thank you very much for your kind assistance

Best regards

Muh. Wahyu Islami PM, S.T., M.Hub.Int. (Mr.)
