

COVID-19 Vaccination Certificate for International Staff and Students in KMUTNB

COVID-19 Vaccination Certificate (*def.*) Record of your vaccinations, it will appear in online application ‘Mor-Phrom’ (หมอพร้อม). The information only be used in country identification.

COVID-19 Vaccination Passport (*def.*) Record of your vaccinations which will use for international travel. Record will be given out in booklet or hard copy.

Procedure to Get COVID-19 Vaccination Certificate

1. International staff and students in KMUTNB who received the vaccination through the university’s channel must apply for the 13-digit number. Scan QR code and fill up the Google form in requesting for 13-digit number. The info will send via SMS text between 3 days – 3 weeks.

***Note:** *If your submission is longer than 3 weeks, please send the detail of your submission to icc@op.kmutnb.ac.th*

The poster is a green rectangular graphic with white text and logos. At the top right, there are two logos: the circular seal of Kasetsart University and the 'KU KASETSART UNIVERSITY' logo. The main title is 'Request for COVID-19 Certificate of Vaccination' in large white font. Below the title, it says 'Please fill the form via QR code or the link below'. In the center is a large QR code. Below the QR code is the URL 'https://qrgo.page.link/SYhZc'. At the bottom, there are two bullet points: 'The certificate is a proof that you have been vaccinated against COVID-19, not an immunes passport.' and 'The proceeding time of the certificate is 2-3 working days after your submission. *Please submit the form ONLY 1 time.'. At the very bottom, it says 'For further information please contact International Affairs Division at fro@ku.th or 02-9428683'.

3.2 The pictures are demonstration of how to check the Unofficial Vaccination Record via LINE Mor-Phrom Friend. This option is useful for the quick and unofficial identification.

*****Note:** Every foreigner who completed the vaccination with KMUTNB and accessed through application WILL HAVE made-up 13-digit number in the passport number section. It is designed to imitate the Thai ID number and accessible in Thailand. Any errors or misspelling in the phone application cannot be corrected.

ONLY when you request for Vaccination Passport to go abroad, you will be able to correct the error in the records.

If you need to show the Vaccination Record in Thailand, please show it along with your passport.
