Department of Mechanical Engineering
Federal Institute of Science and Technology (FISAT)
Accredited by NAAC with A Grade & NBA Accredited Programs
Approved by AICTE- Affiliated to APJ Abdul Kalam Technological University, Kerala
Hormis Nagar, Mookkannoor P.O., Angamaly,
Kerala - 683577

The International Conference on Sustainable materials, Manufacturing and Renewable Technologies (i-SMaRT) is an international peer-reviewed annual academic conference. The 2nd in series, the i-SMaRT 2022 is organized by the Department of Mechanical Engineering, Federal Institute of Science and Technology in association with King Mongkut's University of Technology North Bangkok (KMUTNB), Thailand. The event is set up during 25-27 May 2022 with both online and on site event.

i-SMaRT is an ongoing attempt to provide a forum for high-quality academic papers and to promote rapid communication and exchange between researchers, scientists, and engineers in the field of mechanical engineering. The conference also offers a good number of invited lectures from renowned speakers from different parts of the world. The conference will facilitate opportunities to network, collaborate and exchange ideas with renowned scientists and researchers in the field.

The conference publishes original research articles, review articles and feature articles. All the accepted and presented research articles will be published in the conference proceedings book with ISBN number.
