

## Invitation to Composite Sciences and Technology International Conference (COMSAT) 2022

**Time:** August 22-23, 2022

**Venue:** Universiti Teknologi Malaysia, Skudai, Malaysia

We are pleased to invite you to participate in the COMSAT2022. For more information, visit us at <http://www.utm.my/comsat>

The Composite Sciences and Technology International Conference (COMSAT) 2022 will be held on 22-23 August 2022 as a virtual event. The COMSAT2022 is organised by Centre for Advanced Composite Materials (CACM), Universiti Teknologi Malaysia (UTM) and co-organised by:

1. Newcastle University in Singapore, Singapore
2. Universiti Putra Malaysia (UPM), Malaysia
3. Universiti Sains Malaysia (USM), Malaysia
4. UCSI University, Malaysia
5. Universiti Teknologi MARA (UiTM), Malaysia

6. Politecnico di Bari, Italy
7. King Mongkut's University of Technology North Bangkok (KMUTNB), Thailand
8. Universitas Padjadjaran, Indonesia
9. Technical University of Liberec, Czech Republic
10. Universiti Malaysia Pahang (UMP), Malaysia
11. Oklahoma State University (OSU), United States
12. Universiti Malaysia Terengganu (UMT), Malaysia
13. Andalas University, Indonesia
14. Universiti Tun Hussein Onn (UTHM), Malaysia
15. Universiti Teknikal Malaysia Melaka (UTEM), Malaysia
16. National Textile University, Pakistan
17. Universiti Malaysia Kelantan (UMK), Malaysia
18. Research Center for Biomaterial, National Research and Innovation Agency, Indonesia

This virtual international conference will give the opportunity to participate, discuss and exchange the ideas and experiences in the latest research and development in composite sciences and technology. Five (5) renowned Keynote Speakers and eighteen (18) Invited Speakers from various universities will share their knowledge and experience in the recent and cutting edge topics in this field.
