

Subject: Your Invitation to Present at the 2nd Indian Near Surface Geophysics Conference, New Delhi - Submission Deadline (June 15, 2023) Approaching!

Greetings from European Association of Geoscientists and Engineers (EAGE) and AF Academy

I trust this email finds you in great health and high spirits.

I am writing to you on behalf of the **European Association of Geoscientists and Engineers (EAGE) and AF Academy**, the esteemed organizers of the 2nd Indian Near Surface Geophysics Conference. This unique forum is scheduled to take place on the **7th and 8th of November 2023** in the heart of India - **New Delhi**. This event marks a significant milestone in geophysical research in India, fostering innovative and collaborative discussions around Near Surface Geophysics.

The conference offers a compelling platform to showcase your work and contributions to a global audience of geoscientists, engineers, and industry professionals. It is the perfect opportunity for your research to gain unparalleled exposure and spark transformative discussions within the field.

We kindly invite you to submit your extended abstracts and share your valuable insights with the global community. **Please be aware that the deadline for abstract submission is quickly approaching - all abstracts must be submitted by 15th June 2023.**

To ensure the broadest possible audience for your work, **all accepted extended abstracts will be uploaded to EarthDoc, the leading online geoscience database.**

Themes and topics for this conference include but are not limited to:

- Environmental and Engineering Geophysics
- Groundwater Geophysics
- Geotechnical Investigations
- Geophysical Archaeology
- Geohazards and Geodynamics

You can find a more comprehensive list of the conference themes and topics at <https://www.nearsurfacegeophysics.in/conference-themes-and-topics>

The guidelines for extended abstract submission are:

The abstract should be in English. The body of the extended abstract needs to be four (4) full pages in length, paper size A4. Longer or shorter sized abstracts will not be included in the review process and consequently be rejected. Title page is separate and not counted in length.

The document should be formatted according to the prescribed format available at our website and also enclosed here.

All abstracts must be submitted via the online submission portal on our website.

For more detailed instructions, please

visit <https://www.nearsurfacegeophysics.in/conference-abstract-information>

Remember, the conference serves as a golden opportunity to place your work at the forefront of the field, promoting innovative dialogue and expanding your professional network. **Don't miss this chance to contribute to this momentous event in Near Surface Geophysics.**

For more details regarding the conference, please visit our official website at <https://www.nearsurfacegeophysics.in/>

We eagerly look forward to your participation and are confident that your contribution will greatly enhance the conference's richness and diversity. Please feel free to contact us if you have any questions or require additional information.

Best regards,

Dr. Sanjay Rama
